Demands for Supplementary Grants.

1. 11—Tramway—T. A.—Rs. 100.

Mr. T. Narayana Menon.—Sir, I beg to move for an additional allotment of Rs. 100 under Demand No. XI.—Tramway-Travelling allowance. The original allotment of Rs. 500 sanctioned under this head has been found to be insufficient for the requirements of the Department as it had to meet certain unexpected charges during the year. The Tramway Engineer had to be asked to be present during the sittings of the Vrischigam Session of this Council to furnish necessary information to the Member for Forests in answering supplementary questions relating to the Tramway. The Tramway Engineer had to attend the functions connected with the Installation of H. H. the Maharaja. The peons who accompanied him on these occasions had carried tapals to and from his office and had to be paid their travelling allowance. More journeys than usual had to be performed by the peons of the Department in connection with the shooting trip to Parambikulam of His Excellency the Naval Commander-in-Chief.

The additional amount of Rs. 100 that has become necessary to meet the unusual charges referred to above can be met by transfer from savings available under B-I-a (1)-Salary of the Engineer. Under the circumstances explained, I request that
